FROM

THE PRESIDENT,

To

The Secretary to the Government
of His Highness the Maharaja of Mysore,

SIR,

With reference to Government Proceedings no: Fl 1148-51 dated the 29th October 1903, renewing the Grant of Rs28,000/- for the purpose of removing and rebuilding Patnool pète in the Bangalore City, I have the honor to State that the above Sum includes an estimated cost of Rs 3479/ for building a mosque at the new site allotted for rebuilding Patnool pète. The residents of old Patnool pète in their petition herewith Submitted

in original pray for payment to them of Rs 2000/- out of the amount allotted for a mosque with a view to purchase a shop in the Avenue road and to utilize the rent thereof for the upkeep of their old mosque (X). They represent that they would build a fresh mosque near their new dwellings near Korchara paly a with the balance supplemented by Subscriptions they would raise among themselves.

(X) as well as of the new one. (Please see the petition)

As the upkeep of the old mosque entails on these people even after they abandon the present locality, I am of opinion that their request may be granted on condition of their executing a mutchalika binding themselves to utilize the income derived

from the Shop exclusively for the old

mosque and for no other purpose

Govt observe that ~~It is observed~~

it is too soon now to think of an investment of the kind recommended by the President. The new hospital must first be built. If by a portion of the cost of its construction being met from subscriptions, any savings accrue out of the grant sanctioned by Government the question of the investment of such savings in the manner proposed may then be submitted for the consideration and orders of Government.
